## **Societies Act Constitution**

The name of the Society is "**BC Family Child Care Association**"

The purpose of the **Association** shall be:

- to develop and facilitate child care training programs that will promote the provision of quality care for young children and their families in British Columbia;
- to engage in the training of family child care providers in the operation of home based child care facilities;
- to cooperate with agencies involved in the delivery of education, support, resources, referrals, and information related to all quality child care options and programs; and,
- in furtherance of the above:
  - to raise the profile of family child care in the province of British Columbia;
  - to encourage other agencies and organizations to support the efforts and programs of the Association;
  - to liaise with government, parents and other child care organizations;
  - to strive to maintain the highest quality of family child care through the creation of a resource base
  - to facilitate education and training of present and prospective child care providers through the development and implementation of workshops;
  - to encourage the development of educational resources for family child care providers which will include multicultural resources for children, their families and their communities which will promote respect, harmony, and appreciation of our diverse cultural heritage;
  - to assist in the development of training materials and the accessibility of training opportunities for all family child care providers in British Columbia and on a national perspective; and
  - to provide a means of contact for every family child care provider in British Columbia in order to alleviate the feelings of isolation and encourage professionalism.
